The matter of ice to be used by the Ladies' Curling Club was left with the draw committee, and it was decided to have an open bonsel and let the club affiliate with the Northern Alberta Curling Association.

Owing to Wm. Poole, second vice-president, moving from the city, T. C. Rubra was elected to fill the vacancy. The draw committee was authorized to spend a sum not in excess of \$40 for the purchase of prizes for competitive purposes, in club games.

## LOCAL THESPIANS STRUT THEIR STUFF AT THE ANGUS TUESDAY

Local talent will head the boards at the Angus Theatre on Tuesday evening next, when "Eyes of Love," a three-act comedy-drama from the pen of Lillian Mortimer, will be presented. This production has been written but recently, and Miss Mortimer the author has a long list of stage successes to her credit. The staging will be under the auspices of Group "B" of the Ladies' Aid of the United Church.

It is a story of the present day, the various developments taking place in the theory of Judge Barry's country home on the Hudson River.

Royal Manton and Bert Wade are rival suitors of Gaila Barry, while Bert Wade evinces serious desires to become Manton's wife. Clark, the butler, noses into the various developments. Upon breaking the news to Judge Barry and his wife that she has accepted one of the rival suitors, Gaila is startled with intelligence from the lips of the Judge which prompts her to break the engagement.

Alone in the house while the family is out, an escaped convict invades the place, but Gaila, with little perturbation and sympathizes with the strange man, assisting him to escape when covered with a revolver in the hands of Clark, the butler.

A month later a new "wop" garden-

arrives on the scene, and Gaila becomes deeply attached to him, but he is recognized as the escaped convict and again arrested, while Gaila pleads on his behalf and pronounces her confidence in his innocence.

Three months pass by, after which happy developments, in which the mystery of her parentage is fully solved, occur as a prelude to Gaila's marriage to the man of her choice, while Carolina crosses a "good luck" message to the happy couple.

Mrs. C. D. Egan has had charge of the preparations as directress, and, while several members of the cast are on this occasion making their debut locally in histrionic channels, every assurance is given that a most interesting story will be unfolded in a most capable manner by the following cast, which is given in order of their appearance:

Carolina (negro servant) Mrs. W. N. Paton Gaila (adopted daughter) Miss G. G. McNeill

Rebecca (a two-faced friend) Mrs. Jas. Dixon Bert Wade (Rebecca's brother) M. Morner

Mrs. Barry (foster-mother) Mrs. Jas. Barry Lora (a lively housemaid) Miss Nellie James

Clark (a noisy butler) B. W. Bellamy Judge Barry (foster-father) R. W. McNeill

Royal Manton (Bert's rival) Walter Orr Jim Hankin (mancipated man) H. Chandler

Premier Brownlee will address himself on his return from the east, to the shaping of the session's agenda, his intention being to have all the public legislation in readiness for the opening of the house, probably about the middle of January.

## Weddings

**REIST—NOVOTY**

A wedding, beautiful from every viewpoint, was solemnized in the Manse, Wetaskiwin, Friday, November 18th, at 5:30 p.m., when Elizabeth Mary Novoty, eldest daughter of Mr. and Mrs. Novoty of John Knox district, was united in marriage with John Reist, son of Mr. and Mrs. Samuel Reist, also of Wetaskiwin.

The bride was accompanied by her sister Marie, and the groom by his sister Marie. The ceremony was performed by Rev. A. L. Elliott in the presence of a few family friends.

The bride was becomingly gowned in white georgette over pink charmeuse tulle and carried a bouquet of roses and carnations. The bridesmaid wore a dress of pearl gray tulle.

The bridegroom's gift to the bride was a set of silver. To the bridesmaid a gold pin set with pearls.

A reception was given in the U.F.A. hall, Wetaskiwin, when a goodly number of friends came to share the joy of the occasion and to bear congratulations and best wishes. The young couple were the recipients of many gifts, beautiful and useful, which bears witness to the esteem in which they are held.

Mr. and Mrs. Reist went south for a short trip, and on returning will make their home on their farm near Wetaskiwin.

## Town Topics

Christmas is four weeks from next Sunday.

Mr. and Mrs. J. R. Marshall visited friends in Edmonton over the week end.

The government thermometer registered twenty-four below zero on Monday morning. This is the coldest of the season to date.

The report of the Ev. Lutheran Church Synod held last week has been held over until next week's issue owing to lack of space.

B. E. Boyd who is residing in Oregon, arrived in the community last week to look after business affairs and to renew acquaintances.

Mrs. N. Degun, Mrs. R. E. Schmitz and Miss M. Sullivan attended the Catholic Women's League Convention held in Edmonton last week.

Capt. Baker, secretary-treasurer, and Councillor Bussard, of the Mun. Dist. of Montgomery, are in Edmonton this week attending the convention of the Alberta Association of Municipal Districts.

Mrs. T. Best and son Harold of Dawson City, Yukon, spent the week end in the city as guests of Mr. and Mrs. B. D. Howatt. They are a sister of Mr. Howatt. They are on their way to their old home in P.E.I.

Christmas is drawing near, and already the post office is beginning to feel the extra work, more especially in old country and foreign mail. It would be well for parties who have to send away for their Christmas goods to do so at the earliest possible date. Every year there is the same complaint. Late in sending means late in receiving, and in many cases disappointment in the result. If you have to send away, do it now.

The official visit of Mrs. Jennie Carleton, of Stroma, worthy Grand Matron of Alberta, to Victory Chapter Order of the Eastern Star, took place on Wednesday evening last. Mrs. Cullen and Bro. Dawson of Edmonton, also Grand Chapter officers, were in attendance. The local chapter had visitors from Poncha, Lacombe, Edmonton and other places and a most enjoyable and profitable evening was spent. Mrs. Carmichael gave a very inspiring address on the work of the order. At the conclusion of the meeting, one of the best banquets given on similar occasions, was held.

## SCHOOL NOTES

Grades VII. to XII. spent an enjoyable hour in the theatre from 3 to 4 o'clock on Wednesday, Nov. 16th, when Capt. Daney, brought to Wetaskiwin by the Elks of this district, gave a most interesting talk to pupils of these grades. His chief subject was "Citizenship," interspersed throughout with jokes which amused all. He also had a question period, during which questions of any description were asked by the pupils. The questions were mostly on the Great War. Capt. Daney sang several army songs, delighting all present. The entertainment was closed with the singing of the National Anthem and a vote of thanks to Capt. Daney and the Elks. (E.B., Grade IX.)

Public school examinations will be held every two months as has been the practice formerly. The October results were unfortunately somewhat delayed owing to the closing of the schools shortly after the opening.

These results will be published regularly during the school year.

**C.W.L. BAZAAR**

Don't forget Wednesday, November 30, the C.W.L. bazaar. It will open at 3 o'clock in the afternoon. An excellent choice of fancy work and linens, for either gifts or service, and cheap. And if you're lucky, or the party sum of two bits you can get a pair of county blankets, just along and have your fortune told while you wait.

Then, little girls, we have a doll again this year, just a few years older than the one we had last year—and mind you, she has improved with age, not like so many of her 'ux.

Children—a secret. Looked after among the fishpond articles, in just over so many places, there are the queerest, cutest things. There will be homemade candy galore, too, all everybody can eat.

Then, the chicken supper—with even the old turkey thrown in for good measure. The doors will be open and all the dames in their places to wait on you, at five o'clock sharp, and we'll feed one hundred and ten of you at each go. If you can't get a pair of county blankets, just along and have your fortune told while you wait.

After supper the men are going to pull off a number of things. Sorry can't tell you all about them, but they sure have lived up to the belief, that a woman can't get a secret.

See you at the Elks' hall, Wednesday.

The Norwegian Lutheran Ladies Aid will meet at the home of Miss Selma Gulderson on Friday, Nov. 25, at 3 p.m. This is the annual business meeting as election of officers all members are asked to be present.

## NOMINATIONS ARE LESS THAN TWO WEEKS AWAY

Nominations to fill the several vacancies occurring on the council and school boards will take place on Monday, December 5th, which is only a week from next Monday. Up to the present time nobody has indicated his intention of standing for office, and it appears as though there might not be an election. It is to be regretted that such apathy exists, as the very best men possible should offer themselves for public service.

Those who retire automatically from the council this year are Mayor Montgomery, and Ald. Paton, Parker and Scott, while Eli Moore and E. H. L. Thomas will have completed their terms on the public school board.

Now is the time to select the best citizens available to fill the vacancies.

**IMPORTANT CHANGES IN ALBERTA EDUCATIONAL SYSTEM ARE MOOTED**

Important changes in the Alberta educational system are in prospect through a complete revision of the school which will form one of the main features of the coming session of the legislature. The fact that a re-casting of the act would be brought up at this session was announced in the house last spring by Hon. Perren Baker, minister of education, and the minister's work to that end has been under way for some time past.

It is proposed to make over the present act from first to last, giving it practically a new soul and body. As it now stands the School act represents a law first passed in territorial days and since many times amended, with the result that it is now complicated, involved and sometimes hard to figure out. The parts of it that are to be preserved will be consolidated and simplified, but in addition there will be much new matter, certain portions of government policy not yet announced.

## League of Nations Is Topic of Prot. Burt at the Kiwanis Luncheon

**One of Most Active Branches of League Is the Health Department, Which Has Saved More Lives Than Lost in the War—Twenty-five Countries Now Affiliated—Are Extremely Valuable Body**

Those who attended the Kiwanis luncheon Tuesday evening were given a real treat in the able address given by Prof. Burt of the University of Alberta, on the League of Nations.

The Professor referred to the conditions existing before the war, and said at least one of the causes was that there was no efficient machinery for handling international disputes. Today fifty-five countries of the world are in the league, and it is an extremely valuable body, which meets once a year, but the council of the league meets three months. The four big nations of the world have permanent representatives on the council, while the smaller nations have nine representatives, three of whom are elected every year, which gives a ballot to the powers of the larger nations. Since the formation of the league several international problems which were very complicated and might easily have resulted in war, have been adjusted amicably by the league.

One of the most active branches of the league is the health department, which has checked several plagues in the East, and which has saved more lives than were lost during the war, as cholera, typhoid, the white plague, diphtheria, and other problems are being handled by the league. The professor concluded by referring to Canada as being a member of the league and he urged the people of this country to take a keen interest in the affairs of the league, and thus be in a position to advise our delegate who is really the people's representative on the league.

President Pat Wright presided, and there were a number of visitors in attendance.

## SEVERAL CASES DISPOSED OF AT FALL SITTINGS SUPREME COURT

The following are the cases disposed of at the recent Fall sittings of the Supreme Court at Wetaskiwin, which were not reported last week:

**Farnham vs. Edwards.**—In this action the plaintiff sued for damages for injuries received in an automobile collision at Wetaskiwin, on October 23, 1926. The defendants were the owner of the car which caused the collision, his son, who was driving the car at the time of the collision. The court held that the father was not liable in damages, because the son at the time of the accident was neither his agent nor servant. The son of the owner of the car, however, was held liable, and judgment was given against him for \$240.00 with costs. A settlement between the parties was made after the decision. Counsel for the plaintiff, Mr. Knox. Counsel for the defendants, Mr. Danby, Calgary.

**Just vs. Forster.**—This was an action for money loaned and wages for work done for the defendant, who made a counterclaim for board. The plaintiff got judgment for \$115 and costs, while the defendant's counterclaim was dismissed with costs but the plaintiff was allowed certain costs in connection with the plaintiff's claim. A set-off as between the amount allowed to the plaintiff and the defendant's costs was given. Counsel for plaintiff, Mr. Knox; for defendant, Mr. MacLean, Edmonton.

**Guse vs. City of Wetaskiwin.**—This was an action for damages claimed by the plaintiffs, who are husband and wife, in respect of injuries received by Mrs. Guse, arising, as she claimed, from a fall on the sidewalk, in March, 1927. The plaintiffs claimed that the sidewalk was in a dangerous condition owing to snow and ice, and that the City was guilty of negligence in failing to keep the sidewalk free from snow or ice or in failing to sprinkle sand or ashes on the sidewalk. The action was defended by an insurance company with which the City is insured against such accidents. The court held that the plaintiff had failed to prove that she did fall on the sidewalk, and also that there was no negligence on the part of the City in connection with the condition of the sidewalk, and dismissed the action with costs. Counsel for plaintiffs, Mr. Knox. Counsel for defendant, Mr. MacLean, Edmonton.

Boxing Program Proved  
Delight to Large Crowd

The program given at the Angus Theatre on Monday evening by the Wetaskiwin Sports Association was of an exceptionally high order, as well as being a decided novelty in the way of entertainment. The boxing bouts were, no doubt, the big attraction, and were thoroughly enjoyed by the splendidly large audience. Of particular interest in the fact that there were a large number of ladies present, and they apparently appreciated the doings as thoroughly as did the sterner sex.

While there was a measure of disappointment in the fact that, on account of illness, anticipated vocal numbers were not given, this was offset by the delightful motion picture program, especially selected by Mr. Grant for the occasion, "Spring Fever," the news reel depicting athletic endeavors among the gentler sex, and the special musical numbers rendered by the Moonbeams Orchestra, who contributed their services for the occasion in cooperation with the enterprise launched by the Association.

There were five events scheduled for the amateur boxing bouts, but the Canadian Legion, Edmonton Branch, which furnished the talent for the occasion, were extremely generous and as a result six bouts were furnished, ranging from the midweight class to the

146-lb. class. The midweight in particular scored a tremendous hit, and throughout the various contests, the audience, which did great credit to the community by its through orderliness, at frequent intervals broke out in resounding applause.

The visitors were all clean-cut in mannerisms and style, at the same time calling into each other as though chess handicaps were at stake, with no semblance of stalling.

At the conclusion of the evening's program, Mayor Montgomery, on behalf of the Sports Association, presented to each of the contestants a souvenir in the form of jewelry, pointing out to the audience that the boxers had given their services with no thought of remuneration of any kind. The visitors responded with three hearty cheers for "Wetaskiwin."

Later in the evening the Edmonton party, over twenty in number, were guests at a dinner given in their honor at the Grand by the officers of the Association.

In the entertainment provided by the Wetaskiwin Sports Association on Labor Day and on Monday evening, the Association has certainly made good in their initial efforts, and, with the cooperation of the citizens there is no doubt but that this community will be provided next year with a program of athletics of a varied nature and of a high standard that cannot fail to bring as a result six bouts were furnished, ranging from the midweight class to the

## GOING OUT THE SAME WAY

"Ah shush pty you," said a colored pugilist to his opponent as they squared up. "Ah was born with boxing gloves on."

"Maybe you was," retorted the other, "and ah reckon you're going to do the same way."

## HILLSIDE

The regular monthly meeting of the U.F.W.A. was held at the home of Mrs. Howard Marr. The roll call was "Christmas Gift Suggestions." The usual business was transacted and the holding of a cooking sale at some future date was discussed. It was decided to apply for a travelling library. The blocks for the autograph quilt were distributed, the proceeds from the quilt will be used in helping to send a delegate to the convention in January. The program consisted of community singing, five minutes with the constitution and a couple of papers on "Marketing" and "Education of the Child of Pre-School Age" by Mesdames Bolt and Hoskins. The December meeting will be held at the home of Mrs. Bolt and the roll call will be answered with a Christmas verse. This will also be the annual meeting.

High Production Continues at Royalite Well

An average production of 555.5 barrels of gasoline per day for the month of October, 1927, is reported from Royalite No. 4 well in the Turner Valley field. This is an increase of ten barrels per day over the figures for the preceding month. Total deliveries of oil to the Imperial pipelines from the Royalite, McLeod, Illinois-Alberta and Vulcan wells amounted to 21,568.7 barrels during October.

Alberta Birds Win in Two Contests

Pens of Barred Rocks from the Winter Egg Poultry Farm, Lethbridge, have recently won high honors in two major egg-laying contests. One pen has been awarded a silver cup for the highest winter production from individual hens and the silver cup for the highest scoring heavy breed at the University of Georgia contest, competing with 100 pens from all parts of the continent. At the Manitoba provincial egg laying contest held at Brandon, the Lethbridge pen of ten birds laid a total of 2,200 eggs during the 52 weeks of the test and the eggs were awarded the highest score for weight.

RAW LAND BROUGHT \$73  
AN ACRE AT VEGREVILLE

The often heard accusation that Albertans will not back up their faith in the province with their money will not hold water in the Vegreville district, states John Hise, who addressed the Vegreville board of trade on Monday and attended the sale of school lands held there on the same day.

Bidding eagerly on the 219 quarter sections offered for sale, the farmers and business men of the town filled the Vinyl theatre for the greater part of the day. In nearly every case the land brought double the upset price. One quarter was finally sold at \$73 an acre, which is believed to be a record for unimproved farm land. Other sections ran as high as fifty and sixty dollars an acre. The average price was about \$49 an acre. A. H. Mitchell of Millet, was the auctioneer.

According to the terms of the sale, the purchaser had to pay five per cent down at once. Before the sale had been in progress more than a few hours the bank ran out of cash. However, the manager saved the day by

## Weddings

SCOTT-GRAY

A very pretty but quiet wedding was solemnized at the lovely country home of Mr. and Mrs. Leonard Gray, Spruce Grove Farm, on the evening of Nov. 18th, when their second daughter Pearl Gertrude, was united in the holy bonds of matrimony to Mr. William Stanley Scott of Millet, by the Rev. L. R. Macdonald.

Promptly at eight o'clock the bride entered the living room on the arm of her father, who gave her in marriage. Charming indeed was the bride in a dress of powder blue georgette, with tulle of powder tulle on the skirt.

while rhinestone trimmings adorned the front. The bride carried a bouquet of white carnations and ferns, with white satin streamers and was accompanied by her sister Adeline, while the groom was supported by Mr. Robert Gray, brother of the bride. During the signing of the register, Mr. F. J. Higginson sang a solo "I will always love you as I do today."

The groom's gift to the bride was a handsome bar brooch with diamond setting, the bridesmaid a sterling silver bracelet with ruby setting, and to the best man a white gold tie pin.

After the ceremony, a dainty buffet luncheon was served, and the happy couple left amid showers of confetti and good wishes on the ten o'clock train for Edmonton and other points, the bride travelling in a sand crepe-de-chene dress, over which she wore a coat of French blue broadcloth with fur trimmings, with hat to match of blue and gold.

On their return they will make their home in their suite of rooms in the Arlington Hotel. The groom is the prosperous proprietor of Scott's Meat Market.

## GOT BIG SURPRISE

All previous records from the Alberta amateur long jump championship from a standing start were shattered by Sam Bosenius, Ellerslie farmer, when a bear's den caved in under his vaulting fifteen miles west of Jankin.

Bosenius was musing through the trackless wilderness, idly musing on moose, when suddenly the earth caved in under his feet. He let out a yell which was echoed by a series of wild growls from the hole.

Bosenius jumped forward with considerable dexterity and dispatch, a young bear snapping at his heels.

Bosenius fired, breaking the bear's jaw. Another shot killed it. Out hopped a second bear. Silently taking an oath to lay off the shot for life, Bosenius fired again, killing bear number two.

Then with only one shell left in his gun, the hunter was horrified to see a big black bear come at him from the hole, uttering roars of rage as it charged.

"This is getting monotonous," said Bosenius, dropping hands three dead. His boredom vanished when a fourth bear, the largest of them all, leaped out of the hole. It disappeared before he could reload.—Representative.

Warm the liniment, spread it on brown paper and cover the affected parts. It cures pain, relieves stiffness.

The family medicine chest.

The Wellington Cafe is being rebuilt on the old site. Scott and Pettigrow are the contractors.

Mr. A. P. Mitchell left for Camrose on Monday evening to conduct the sale of Dominion school lands for that district on Tuesday, November 22nd.

Mr. C. A. Keat received a card from Mr. Hugo Van Arx (who with his family left for Switzerland some weeks ago) posted at Olten, Switzerland, on November 8th, reporting a pleasant voyage.

The Sunday school of the United Church organized a drive for increased membership. The regular attendants are divided into two camps, the reds and blues, and they vie with each other in bringing others to enjoy the morning Sunday school hour.

The bazaar to be held by the Ladies Aid of the United Church will open in the United church on Saturday, Dec. 3, at two o'clock. The sale of articles comprises aprons, centos, tea cloths, children's dresses and a quilt, to be the close of this meeting, and was carried out, when Miss Jean Ross carried a gaily decorated boiler filled with interesting packages and presents. It was Miss Mona Colter, a member of the U.F.W.A., and wife of the late Mr. W. A. Colter, who presided over the sale.

The attention of our readers is directed to the advertisement of The Beaver Lumber Co. in this issue. The booklet entitled "The Story of Wood," is very interesting. Illustrations are in black and white, and the text is in color. One would be glad to pay for a book like this, but it's free. Call and get your copy and suggest a slogan. It may mean a fortune for you.

## Here and There

Establishing what is believed to be a world record, J. H. Hoover, of Battledore, Sask., recently dug up a total of 171 potatoes from one hill.

A new record for the Port of Montreal was set up Saturday, October 22nd, with 1,045 ocean-going steamers having entered the port this season (with five weeks or so yet to run) as compared with 1,042 for the whole of last season.

All wheat yields in a season of average returns went by the board on October 26th when J. P. Cook, of Magrath, 24 miles south of Lethbridge, Alberta, recently dug up a return of 170 bushels on a piece of fallowed land measuring slightly over two acres.

Hon. W. E. Foster, Chairman of the Saint John Board of Harbor Commissioners, announces that plans for the first unit in the enlarged harbor facilities for Saint John would include four new steamship berths and an elevator of 2,000,000 bushel capacity and that plans for these would be prepared at once. They will be located on the western side of the harbor.

Increasing interest is being manifested throughout the country in the project sponsored by the Department of National Defence of creating light-airplane clubs, and two queries have been received formally requiring the Government to fulfill its part of the scheme by shipping the two Moth planes promised under the provisions of the plan. Montreal and Edmonton are the first two applicants.

Inaugurating a direct mail service by air from Quebec City to Ottawa and bringing British mail to the capital 24 hours ahead of regular train schedule, a seaplane with first class mail from the Canadian Pacific liner "Montroyal" landed on the Ottawa River near the Parliament Buildings. This is the first mail to reach Ottawa by the air, and is part of a more general experiment on the part of the postal authorities.

Manitoba's first fox show will be held from November 30th to December 3rd, in the old Hudson's Bay store at Winnipeg. J. H. Evans, Deputy Minister of Agriculture, will be superintendent, and A. M. Doyle, general manager. There will be eight classes including one for the best pair of matched foxes, one for groups or herds and one for the most desirable fox from a pet standpoint. Several championships will be awarded, all of which are open to all classes.

What is said to be the most valuable shipment of horses over to reach Canada arrived in Montreal recently aboard the Canadian Pacific freighter "Bosworth" and "Bellinghame." The owner is W. J. McCallum, of Brompton, Ont., and Regina, who secured these prize animals in England, Scotland, France and Belgium. They include the famous "Lord Wellington," for which Mr. McCallum paid \$10,000. The horses will be sold throughout the West after being exhibited at Toronto, Chicago, Guelph and Ottawa.

Canadians would be considerably surprised if they were given full details of the British investment going into Canadian channels at the present time, according to E. H. Penneck, director of the Bank of England and of the Canadian Pacific Railway. The British does not seek publicity in his business deals, he stated, with the result that large sums of money were often placed in the Dominion and never heard of. A case in point he mentioned was the investment of himself and five other capitalists of \$200,000 in timber interests in British Columbia five years ago, and upon the success of the venture the further investment of \$300,000.

The next meeting, which is the annual meeting, will be held at the home of Mrs. P. McManus on December 15th. A happy surprise had been planned for the close of this meeting, and was carried out, when Miss Jean Ross carried a gaily decorated boiler filled with interesting packages and presents. **Market Your Poultry Early**

Wetaskiwin, Nov. 14th, 1927.  
 Dear Madam:  
 The season for marketing your Christmas poultry will be here very soon. Feeding should be carefully watched from now on to killing time. Half starved birds do not bring a good price at any time. We look for about the same number of turkeys as last year, but we also look for a better price. Geese and ducks will bring about the same price as last year.

We would suggest having your poultry ready for the last week in November or the first week in December. Eastern shipments must be off early to reach Montreal and Toronto in time to make distribution for the Christmas trade. Poultry coming in later than above dates will have to go to Vancouver and this is a small market compared with the east.

Before killing your birds, be sure to starve them at least 24 hours, give them all the clean water they can drink. Bleed well. Remove all the feathers except the small wing tips, all long feathers must come off. Do not allow poultry to become frozen.

We would appreciate your poultry business this year. We are quoting Edmonton prices f.o.b. Wetaskiwin. See us before selling. Yours very truly,
